PROJECTS

Suraag — Offline-First Music Streaming | *Kotlin, Spring Boot, JWT, AES, ExoPlayer, PostgreSQL* | 2025 – Present
suraagmusic.in

- Built a secure, offline-first music streaming app with **JWT authentication** and **AES (with IV) encrypted audio delivery** between an Android client and Spring Boot backend.
- Engineered seamless playback with ExoPlayer that automatically falls back to cached audio when connectivity drops, eliminating playback interruptions.
- Designed REST APIs for streaming, content handling, and metadata; migrating to scalable cloud storage with optimized caching.

CBCT Allocation System | *Java, Spring Boot, Spring Data JPA, MySQL, Apache POI* | [GitHub](#) Aug 2025

- Built a **first-come, first-served seat allocation engine** that ingests student preferences from Google Forms / Excel and produces deterministic results.
- Implemented persistence with Spring Data JPA over MySQL, automated Excel export of results, and exposed REST APIs for admin tool integration.

Personal Portfolio | *React, Vite, Tailwind CSS, Three.js, Framer Motion, GSAP* | gurupadanayak.in 2026

- Designed and shipped a production-grade portfolio with a custom **WebGL fluid shader background**, magnetic cursor interactions, and scroll-driven animations.
- Implemented full SEO setup (JSON-LD schema, sitemap, OpenGraph, Search Console) and deployed on Vercel with custom domain and SSL.

CERTIFICATIONS

- Machine Learning with AI** — National Skill Development Corporation (Oct 2025)
- Fundamentals of Object-Oriented Programming** — NPTEL (May 2025)
- Java with DSA and System Design 2.0** — PW Skills (2024)
- 100% Job Ready Java Full Stack Live Course** — Code for Success (2024)

ACHIEVEMENTS

- Ranked among the **top 10% of MCA batch** at Berhampur University (CGPA 8.6).
- Published and maintained multiple production Java projects on GitHub with clean code and clear documentation.
- Completed **NCC B & C Certificates** — demonstrating leadership, discipline, and teamwork.
- Led team in dissertation project, demonstrating cross-functional collaboration.
